AURORA

Type

Floor standing misting system with LED lights

With Aurora you can have a light for your open air nights. A unique piece of furniture, a Made in Italy solution that decorates the garden, as well as several outdoor areas such as pool surrounds, terraces, patios and gazebos. An outdoor furniture that allows you to always have at hand a convenient shelf to support your drink, while still enjoying the integrated LED lighting and the cooling action that lowers the temperature. Available in different variants: the rattan coating can be white or brown, and the wooden table can be painted white or natural.
