OASI

Type

Outdoor heater / misting system

Design Year
2015

Both cold and sunny days discover a new dimension. You will be regenerated with the warmth and freshness.

You can relax drinking in the open air, dance and have fun during your parties in the garden.

With Oasi outdoors are entertaining all year long.

This is a brand new product for outdoor furniture that combines the freshness of the nebulizer with a heater for outdoor areas.

The perfect solution for gardens, patios, public places such as bars and restaurants, but also swimming pools:

to refresh during the hot seasons and to heat in the winter months.

A design that combines safety, quietness and handiness, with the absolute quality of Made in Italy.

Your outdoors will have a whole new light, your green spaces will be enhanced and brightened.

You will be instantaneously heated, to enjoy the warmth and coziness during the colder days and evenings.

Turn on the well-being and bring in a moment a fresh breeze: to make more pleasant your outdoor moments.
